Your silent witness

U4K DASHCAM

FRONT CAMERA

REAR CAMERA

FEATURES

Sony Starvis Image Sensors

Industry standard Sony Starvis image sensors for crisp clear videos, even in lower light.

Flexible Parking Mode

Choose from motion sensing, time lapse or airport mode. Flexible to suit your requirements!

Low Battery Protection (LBP)

Safely puts the camera to sleep long before the vehicles battery is flat.

WiFi App

The U4K has an easy to use smart phone app. WiFi allows you to change settings and copy videos to your phone.

Ultra Night Vision & HDR

Low light and "High Dynamic Range" image sensors for enhanced day and night performance!

Parking Mode

The U4K can record for short periods with the ignition off. This can be extended with our dashcam power pack battery!

Emergency Record

Press the record button to quickly record events!

ADAS

Safety alerts including Forward-Rear Collision, Lane Keeping, etc.

Ultra License Plate Capture

Ultra 4K clarity with advanced image tuning captures license plates clearly, even at high speeds and in low light.

Self Updating

The U4K automatically updates its software and speed camera alerts so you're always up to date!

Speed Camera Alerts

Included **free of charge** speed camera alerts. This feature includes free updates but can also be turned on or off as required.

GPS

GPS as standard to log vehicle speed and location with Google maps.

No Lithium

Lithium batteries found in cheap cameras are unstable in hot environments, we don't use them!

G-Sensor (Gravity Sensor)

Impact sensor to safely lock files in a collision.

Voice Record

Sound recording can be turned off and on.

Customer Support

Direct access to tech, troubleshooting and support.

**"YOU PULLED OUT
IN FRONT OF ME!"**

**"NO, YOU MADE AN
ILLEGAL TURN!"**

It's a jungle out there! Help protect yourself in collisions plus road rage and insurance fraud events. Dashcam technology is ever-changing and the U4K is the latest in South Korean tech! Compact, yet packed with the latest features in dashcams the **U4K** delivers a level of performance and clarity cheap cameras simply cannot match!

DEMAND THE BEST, UVUE FOR YOUR PEACE OF MIND!

UPGRADE YOUR DASHCAM WITH A BATTERY PACK

Modern high-res dashcams need more power, especially in parking mode. Our new battery packs give your camera a dedicated power source for up to 24/7 protection, even when the car is off.

Why Add One?

- Up to 24 hours of parking mode
- Safe, long-lasting LiFePo4 battery
- Made in South Korea
- 12-hour & 24-hour options

Capture more. Protect more. Worry less.
