Your silent witness

U22 DASHCAM

FRONT CAMERA

FEATURES

Designed to meet **Australia's latest cyber-security standards**, giving you secure footage, protected data, and complete peace of mind every time you drive.

2.5K Image Sensor Front & Rear
Industry-standard Sony "Starvis" 5MP wide angle image sensors both front and rear for clear videos.

Time Lapse and Motion Sensing
Selectable time lapse or motion sensing allows for more parking mode recordings by either shooting at a lower frame rate or by recording movement only.

Low Battery Protection (LBP)
Safely puts the camera to sleep long before the vehicles battery is flat.

G-Sensor (Gravity Sensor)
Impact sensor to safely lock files in a collision.

Night Vision & HDR
Low light and "High Dynamic Range" image sensors for enhanced day and night performance!

Parking Mode
The U22 can record for short periods whilst vehicle is parked & ignition is off.

Emergency Record
Press the record button to quickly record events!

Self Updating

The U22 automatically updates its software and speed camera alerts so you're always up to date!

Speed Camera Alerts

Included **free of charge** speed camera alerts. This feature includes free updates but can also be turned on or off as required.

GPS

GPS as standard to log vehicle speed and location with Google maps.

No Lithium

Lithium batteries found in cheap cameras are unstable in hot environments, we don't use them!

WiFi App

The U22 has an easy to use smart phone app. WiFi allows you to change settings and copy videos to your phone.

Voice Record

Sound recording can be turned off and on.

Dealer Support

Direct access to tech, troubleshooting and warranty support.

**"YOU PULLED OUT
IN FRONT OF ME!"**

**"NO, YOU MADE AN
ILLEGAL TURN!"**

It's a jungle out there! Help protect yourself in collisions plus road rage and insurance fraud events. Dashcam technology is ever-changing and the U22 is the latest in South Korean tech! Compact, yet packed with the latest features in dashcams the U22 delivers a level of performance and clarity cheap cameras simply cannot match!
